Thursday, May 9th 2019

The following topics were discussed at the Meeting:

Dr Dejan Pajic informed the Project team members on the progress of repository customisation he is doing currently together with TIAC company, as well as on the process of collecting data on researchers from faculties/institutes within UNS.

A draft of the guide on use of the repository for librarians has been already created by Mirjana Brkovic, which will be additionally modified by Prof. dr Branko Milosavljevic and adapted to the needs of researchers as well.

Trainings at University of Novi Sad and partner universities in Belgrade are to be conducted in May and June on the following dates:

- University of Novi Sad – May 31, 2019
- University of Belgrade and University of Arts in Belgrade – June 3-4, 2019. It is to be confirmed with our partners which dates suit them best.

The UNS academic community will be informed via circular e-mail, information at the University website, as well as by distributing an official invitation to faculties/institutes which is to be signed by the rector.

It was agreed also all documents (bylaws, platforms, guides...) created in the frame of BE-OPEN Project should be translated into English, so as to make possible for EU partners to evaluate them.
