The following topics were discussed at the Project Coordination Meeting:

Discussion on the ongoing activities regarding implementation of open science principles at national level. Namely, representatives from UBG informed the Project Coordination Team members on several meetings they had with the State Secretary, prof. dr Vladimir Popovic (Ministry of Education, Science and Technological Development RS), when he informed them that a working group is to be formed at national level which would be in charge of this activity, that is to formulate guidelines and directives for implementation of open science principle. The working group is expected to be formed in Autumn 2017.

Representatives from the University of Belgrade, Biljana Kosanovic and Milica Sevkusic, met with representatives from the University of Novi Sad also in order to prepare for the upcoming Study Visit to CWTS, Leiden University. The project team members prepared questions and comments to be discussed with partners from Leiden University in regard with Open Science principles and Open Data.
